Cold Weather and Uniforms

Parents, please know that on days that are very cold, girls may wear the gym pants to school to keep warm while coming to and from school. However, once they are here at school, they will need to take off the gym pants for the remainder of the day. Sweatshirts are not a part of the uniform. If children use a sweatshirt for a coat or jacket, then they need to take off the sweatshirts once they are in the classroom. If students are cold, they have the cardigan sweater to use for warmth. Thank you for your cooperation with this school matter.

Enjoy the weekend, take care and remember that you are daily in my prayers. I hope you are able to make the Christmas Bazaar tomorrow. It starts at 9:00 and is over by 3:00 PM. You are welcome to join us.

Sunday is the first Sunday in the new church year, Advent. If you follow the reading for daily use, we will be using the readings for Year B. I hope that you can carve some quiet moments throughout Advent to pause and ponder how God is working in you and through you.

Ms. Dixon
