What should I know before school starts?

STC School Summer Office Hours

STC School Office is open from 9:00 am to 2:00 pm Monday - Thursday beginning the Monday after school ends in June until the Friday before school begins. The school office phone number is 610-287-2500 option 1.

School/Stationery Supplies

We use an online ordering website for any ordering school supplies. Supplies will be delivered directly to the school. Clear contact paper is used to cover workbooks, and classroom folders. Try to keep contact paper flat to avoid bubbles or wrinkles. Over the years you will find your style and get the hang of it. You may purchase/use **extra-large** book sox to cover your child's hard text books. Grades 2 - 8 will need approximately 5 extra-large book sox to start the year off.

Bus information

Bus Schedules will be sent directly to you from the Public School District where you reside. Necessary busing forms for the Public School districts may be found on the STC School Website under Transportation Information. If you have questions, contact your local Public School District transportation department. Many bus companies have a day during the summer where your kindergartener can learn about the bus and have the opportunity to take a ride on it. If any of your busing information changes, for example: bus number, notify the office and your child's homeroom teacher with a written note.

First Day of School

This first day of school is a full day. The children need a snack and a lunch, if they are not purchasing lunch. Children in grades Kindergarten and 1st line up in the All Purpose Room (APR). All car line students enter through the APR doors. All bus students enter through the school side door. Students in Grades 2 - 8 report directly to their homerooms upon arrival. Teachers and older students will help the new students find their appropriate lines in the morning and help them get on the correct bus at the end of the day.

CARES Program (Children Are Receiving Extended Service)

Our extended care program provides care for students after school, on half days, and on school holidays. Contact Jackie Stiles, Child Care Director or the Child Care website for more information. Child Care phone number is 610-287-2500 option 3. Rates vary per program.

Uniform Night

Typically, in July, STC will have a uniform night. Uniform Night this year is July 11th. Flynn & O'Hara and Flocco's will be present at STC and will have uniforms and shoes available for purchase. A used uniform recycling program (Uniform Exchange) also allows families to pick up additional uniforms at no cost. It typically runs from 5:00 pm to 7:00 pm in the APR.

Tuition

Tuition is processed through FACTS Management. By June 10th, you will receive an email from the Business Manager concerning setting up your FACTS account. If you have any questions, please email bmgr@stteresacalcutta.com or 610-287-2525 ext. 103.

Uniform Exchange

This is a great way to pass on uniforms to others and save some money. If you have uniforms you no longer need and are still in good shape, you can donate them to the uniform exchange. During certain times of the year, a uniform exchange table is available for anyone to take uniform items they need. You don't have to drop off uniforms to be eligible. There is also a Uniform Exchange form that can be filled out and forwarded to the uniform exchange coordinator. The form can be found on the Home & School website under Downloads & Forms.

Dress Down Days

Dress Down Days are noted on the school website and most require students to bring in a donation to dress down. The money will go towards a designated fundraiser. Shorts can only be worn when the fall or summer uniform is worn, and must be of knee length. Tee shirts with inappropriate words or sayings may not be worn. Students should be mindful to dress conservatively, appropriately and modestly for school – no tank tops, bare midriffs, pajamas, spaghetti straps, open-toe, flip-flop shoes or “wheelies”. No hair changes such as feathers, coloring, tiaras, etc.

School Spirit Items

Various spirit wear items and accessories are available for purchase at www.ragtee.com.

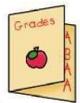

What about the school day?

School Hours

School doors open at 7:30 am each morning. The school day is 7:45 am to 2:45 pm. If you need to pick up your child during the school day, send a note to their teacher a full day ahead of time (call the office if it is a last minute emergency). When picking up, go to the office to sign out, and the office will call up to the classroom for your child. Should you arrive after 7:45 am, please park and walk your child to the front office to obtain a late slip to attend class. Students who are late need a late slip for class.

Grading System - MSP

Report Cards

In Grades 1 - 3, students receive letter grades: O (outstanding), VG (very good), G (good), S (satisfactory), I (improvement needed), U (unsatisfactory). In grades 4 - 8, students receive a numeric grade. Passing grade is any grade above 70. Kindergarten students use a 1-4 numbered grading scale for many skills they are learning. We use My Student's Progress (MSP) as our online grading system. Each student will receive a unique user ID and password. Information will be sent home with your child.

School Year Breakdown

The school year is broken down into three trimesters. Report cards are sent home in a specially marked envelope. Sign and return the envelope to your child's teacher, and you may keep the report card. Parent / Teacher Conferences are scheduled during the first trimester of the school year for grades 1 - 8. By using a link to Pick-a-Time you may select your conference date and time.

Specials

Students have each of the following specials once a week: Art (Grades 3 - 8), Art is integrated into the curriculum for students in grades K – 2. Technology (All), Gym (All), Library (All), Music (All), and World Language (Grades 4 - 8).

Clubs

Students in grades 5 - 8 have the opportunity to participate in clubs on Thursday afternoon and Friday mornings. Examples of some of the clubs are: Science, STEM, Fitness, Math, and Genius Hour.

Safety Drills

Throughout the year, the school will hold announced and unannounced fire drills, and emergency shelter in place drills. Buses also hold occasional lockdowns and drills.

Is there a certain traffic flow I should follow?

Car Rider Arrival Procedures

When you are dropping off your child in the morning, drive through the car rider line, which is open 7:30 am to 7:45 am. This is the one-way lane in front of the school. Pull up in front of the Education Center. A teacher will be outside of the building to make sure your child gets into the gated area safely. Please be considerate and keep the line moving. When you have reached the front sidewalk your children should disembark the car when stopped. Also, for safety purposes, you may not park your car and walk your child to the gated area, all children being dropped off need to go in the car line. If you arrive after 7:45 am you must exit your car and escort the child to the front office.

Car Rider Dismissal Procedures

If you need to change the mode of transportation home on any given day, please write a note to your child's teacher. Additionally, please email the school office at the frontdesk@stteresacalcutta.com. We ask that you give sufficient time considering all dismissal procedures occur between 2:40 pm and 3:00 pm. The students will exit the APR doors escorted by a teacher. Follow the same car line procedure as in the morning, pull into the car line, and your child will be waiting with the teacher on the sidewalk when you pull to the front of the line.

Parking and Traffic Flow

Swamp Pike entrance: Right turn into parking lot, then first right turn once in parking lot. Follow parking lot up to the top of the lot by the church and wait up by the church.

If you are planning to volunteer at school, or are picking your child up early or dropping your child off late, please park in the front parking lot's lower bays. This leaves room for church functions such as daily Mass or funerals.

What about snack and lunch time?

Snack:

Children are permitted to bring in a snack. Snacks are eaten in the classroom around mid-morning.

Lunch

Lunch is eaten in the APR. There are two paid lunch monitors and Parent volunteers for supervision in the lunch room and for recess. There is a separate peanut-free table for students with allergies. Hot lunch is available for purchase daily from our food service provider Aramark. The current prices for lunch are as follows: \$2.75 for Grades K - 2 and \$4.00 for Grades 3 - 8.

A separate sheet explaining Aramark will be given to you at the beginning of the school year. Parent information on loading an Aramark account with money to pay for lunch will require a login and password. This will be provided by the school and your child will need to memorize their ID # to enter after purchasing their lunch.

** Please note prices may change.*

The lunch menu will be posted on the website under the "Parent" tab and then Lunch

Menus.

Pretzels

Mini size soft pretzels are available for snack on Wednesdays, and Fridays. Pretzels must be preordered and prepaid. Grades 5 - 8 may order two pretzels per day. Order forms with pricing options can be found on the Home & School website under Downloads & Forms. Pretzels are provided by the Philly Pretzel Factory, Colleagueville. Parent volunteers bag the pretzels in the morning for each classroom.

What are important things to know once school starts?

Back to School Night

Back to School Night will be held two evenings this September: Wednesday, September 13th for parents of students in Grades K - 3 and Thursday, September 14th for parents of students in Grades 4 - 8. This is a wonderful opportunity to meet your child's teacher and visit their classroom. All parents will meet in the APR from 6:30 pm to 7:00 pm. To accommodate families with multiple children there will be two information sessions held in each homeroom. Session 1 will be 7:05 pm to 7:35 pm and Session 2 will be 7:40 pm to 8:10 pm. This meeting is for parents only so please do not bring your children.

Communication for Inclement Weather/Emergency Information

The My Student Progress (MSP) system is the school's way to contact you in the case of an emergency closing or other important information. This alert will be delivered through phone (home and cell) and text message. You will be asked for your contact information in the beginning of the school year.

Sick Child Procedures

If your child is sick and needs to stay home, call the school office at 610-287-2500 that morning. You may leave a message if it is before school opens. A doctor's note is required for more than 3 consecutive days of absence. If a child becomes sick at school, the school nurse will call you to come and pick up your child. If your child leaves school during the day because he/she is ill, your child is required to stay and rest at home for one full school day (they may not return until 24 hours have passed from the time they were signed out) before returning back to school.

Volunteer Clearances

There are many opportunities to volunteer. The Home & School has many fundraisers and events that need volunteers. Your child's teacher or homeroom parent will also ask for volunteers to help out in the classroom, assist with classroom parties, or chaperone a field trip. The School Office/Lunch Room are always in need of volunteers. Our school community complies with all of the Safe Environment requirements set forth through the Office of Child and Youth Protection. We make every effort to create a network of protection for the children. Please review the requirements and begin to work on obtaining clearances as soon as possible. There are times throughout the year that we may have to decline entrance into the school for a function if you are without clearances. Thank you very much for your understanding and support in the matter.

To volunteer at STC School you must complete the following:

- FBI Fingerprint (except if you have been a PA resident in PA for 10 consecutive years. If you have been a resident for 10 consecutive years then you will only need to sign the Disclosure Application.
