

STC Uniform Swap

Anyone interested in participating in the Uniform Swap is welcome! It is a "swap" because when your children outgrow a uniform item, you can include them in the swap. Ask for what you need and then return the items that can be used by others. You do not have to have something to donate to receive an item.

Things to Remember About the Uniform Swap

1. Everyone is eligible to receive uniform items. No charge!
2. Launder items before donating.
3. Items are in wearable condition but not new.
4. Torn, ripped, worn, and dirty items will not be accepted or donated.
5. If you receive an item that does not fit or you do not want, just return it to the school office.
6. Remind other families to donate items.
7. Refer to Student Handbook for specific uniform guidelines.
8. Uniforms with "BTC" emblem are no longer accepted.
